Kent Freedom Pass

The Kent Freedom Pass scheme is a ground breaking initiative that allows young people unlimited public bus travel for a year for a fixed annual fee. Application forms and passes are available from schools.

The scheme is designed to make travel easier and more affordable for young people, and to encourage the use of the public transport network in the longer term. By having the freedom to travel on any public bus service young people will become less reliant on private cars, reducing traffic congestion at peak times and helping social inclusion by allowing travel at evenings and weekends.

The Role of Kent County Council

Most bus services are run for profit but some would not be viable without subsidy. **Kent County Council** devotes over £6 million annually to supporting local buses.

These subsidised services are operated by local bus companies on behalf of **Kent County Council**. If you have a comment to make about your local bus service, please contact the operator.

If this proves unsatisfactory please contact **Kent County Council** Transport Integration;
