Welcome to the new look bus link between West Malling and Kings Hill.

Kent County Council has bought three new buses specially for 123. Quiet, comfortable and spacious, they are also low-floor which makes things easier if you're laden with shopping, pushing a buggy or simply have trouble with steps.

Regular passengers will know that we've extended the route in the residential area of the estate, and you can 'hail and ride' the bus too. If your train is running late the bus will wait up to 5 minutes, but with extra buses at peak times you'll never have to wait long for the next one.

Don't forget about the 'bus add-on' fare available when you buy your train ticket, or the special fares if you fancy a lunch-time trip to West Malling.

With all this, and Nu-Venture continuing to provide efficient, friendly service, we're certain you'll find the new buses a pleasure to use!

Service 123 is operated by Nu-Venture with financial help from Kent County Council. If you want to check times, fares, or have a comment to make, please get in touch. Contact details are on the back.
